

Powder handling and processing for the food and fine chemicals industries...

Guttridge Solutions

At Guttridge we believe that to deliver the optimum powder handling solution you should not be constrained by the products offered by just one company.

Guttridge, the UK's No. 1 bulk materials handling equipment manufacturer, has joined forces with a range of pan-European equipment and solutions providers to give you the best results.

Building on more than 45 years experience, we like to think that Guttridge can be the complete solution to all your powder processing needs - from start to finish.

conveying - discharging - dosing - weighing - mixing

GuttridgeSolutions

A full range of conveying solutions

Rigid screw conveyors

Flexible screw conveyors

Tubular drag conveyors

Aero mechanical conveyors

Belt conveyors

Vacuum conveyors

Powder handling equipment from bulk to recipe preparation...

Powder containers - dischargers & fillers

- FIBC - Bigbag/Bulkbag
- Rigid IBC
- IBC tumblers
- Sack tip stations
- Customer specific

Weighing & metering

- Dosing systems
- Metering feeders
- Volumetric or gravimetric
- Loss or gain in weight
- Weigh hoppers
- Weigh belt feeders

Mixing & sieving

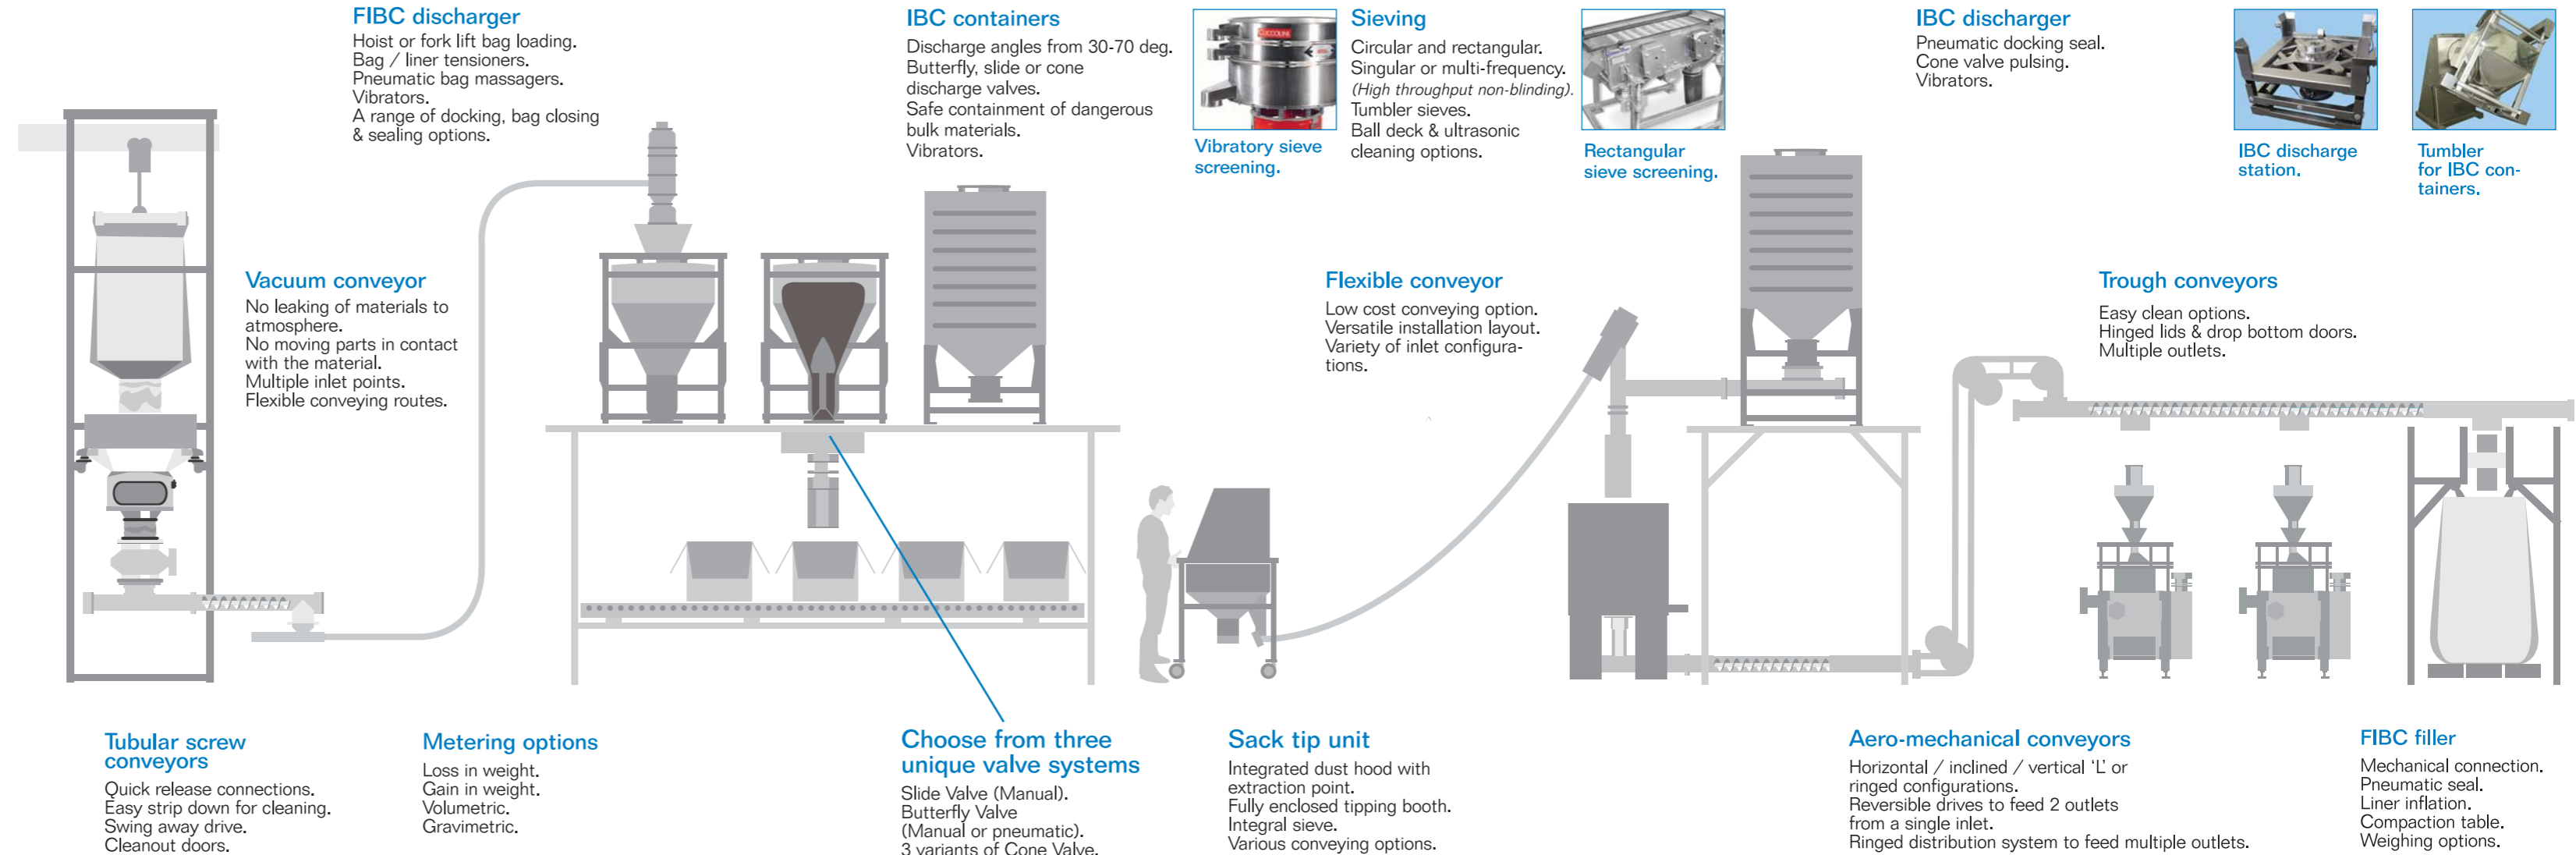

- Tumblers
- Vertical blenders
- Mixers
- Vibratory sieves - circular & rectangular
- Single or multi-frequency sieves

Dust containment

Dust extraction

Guttridge will provide the total solution to your powder handling requirements - from start to finish

rigid screw conveyors, flexible screw conveyors, aero mechanical conveyors, tubular drag conveyors, belt conveyors, vacuum conveyors, gravity feed

The range of Guttridge machines include:

Screw conveyors & dischargers

Bucket elevators

Screw elevators

Chain conveyors

En masse & heavy duty conveyors

Belt conveyors & feeders

Flexible screw conveyors

Vertical blenders & Live bins

Bulk bag dischargers

Mobile loading hoppers

Mobile screw elevators

Screw feeders - Volumetric & gravimetric

Loss or gain in weight feeders

Weighbelt feeders

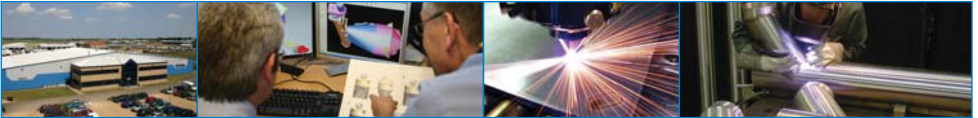

Weighing/discharging systems

Check sieving, screening & separating systems

Slide valves & diverters

Mobile machinery

Bespoke solutions
